English for Nursing, 2023 September Term

アルバータ大学EFNプログラム

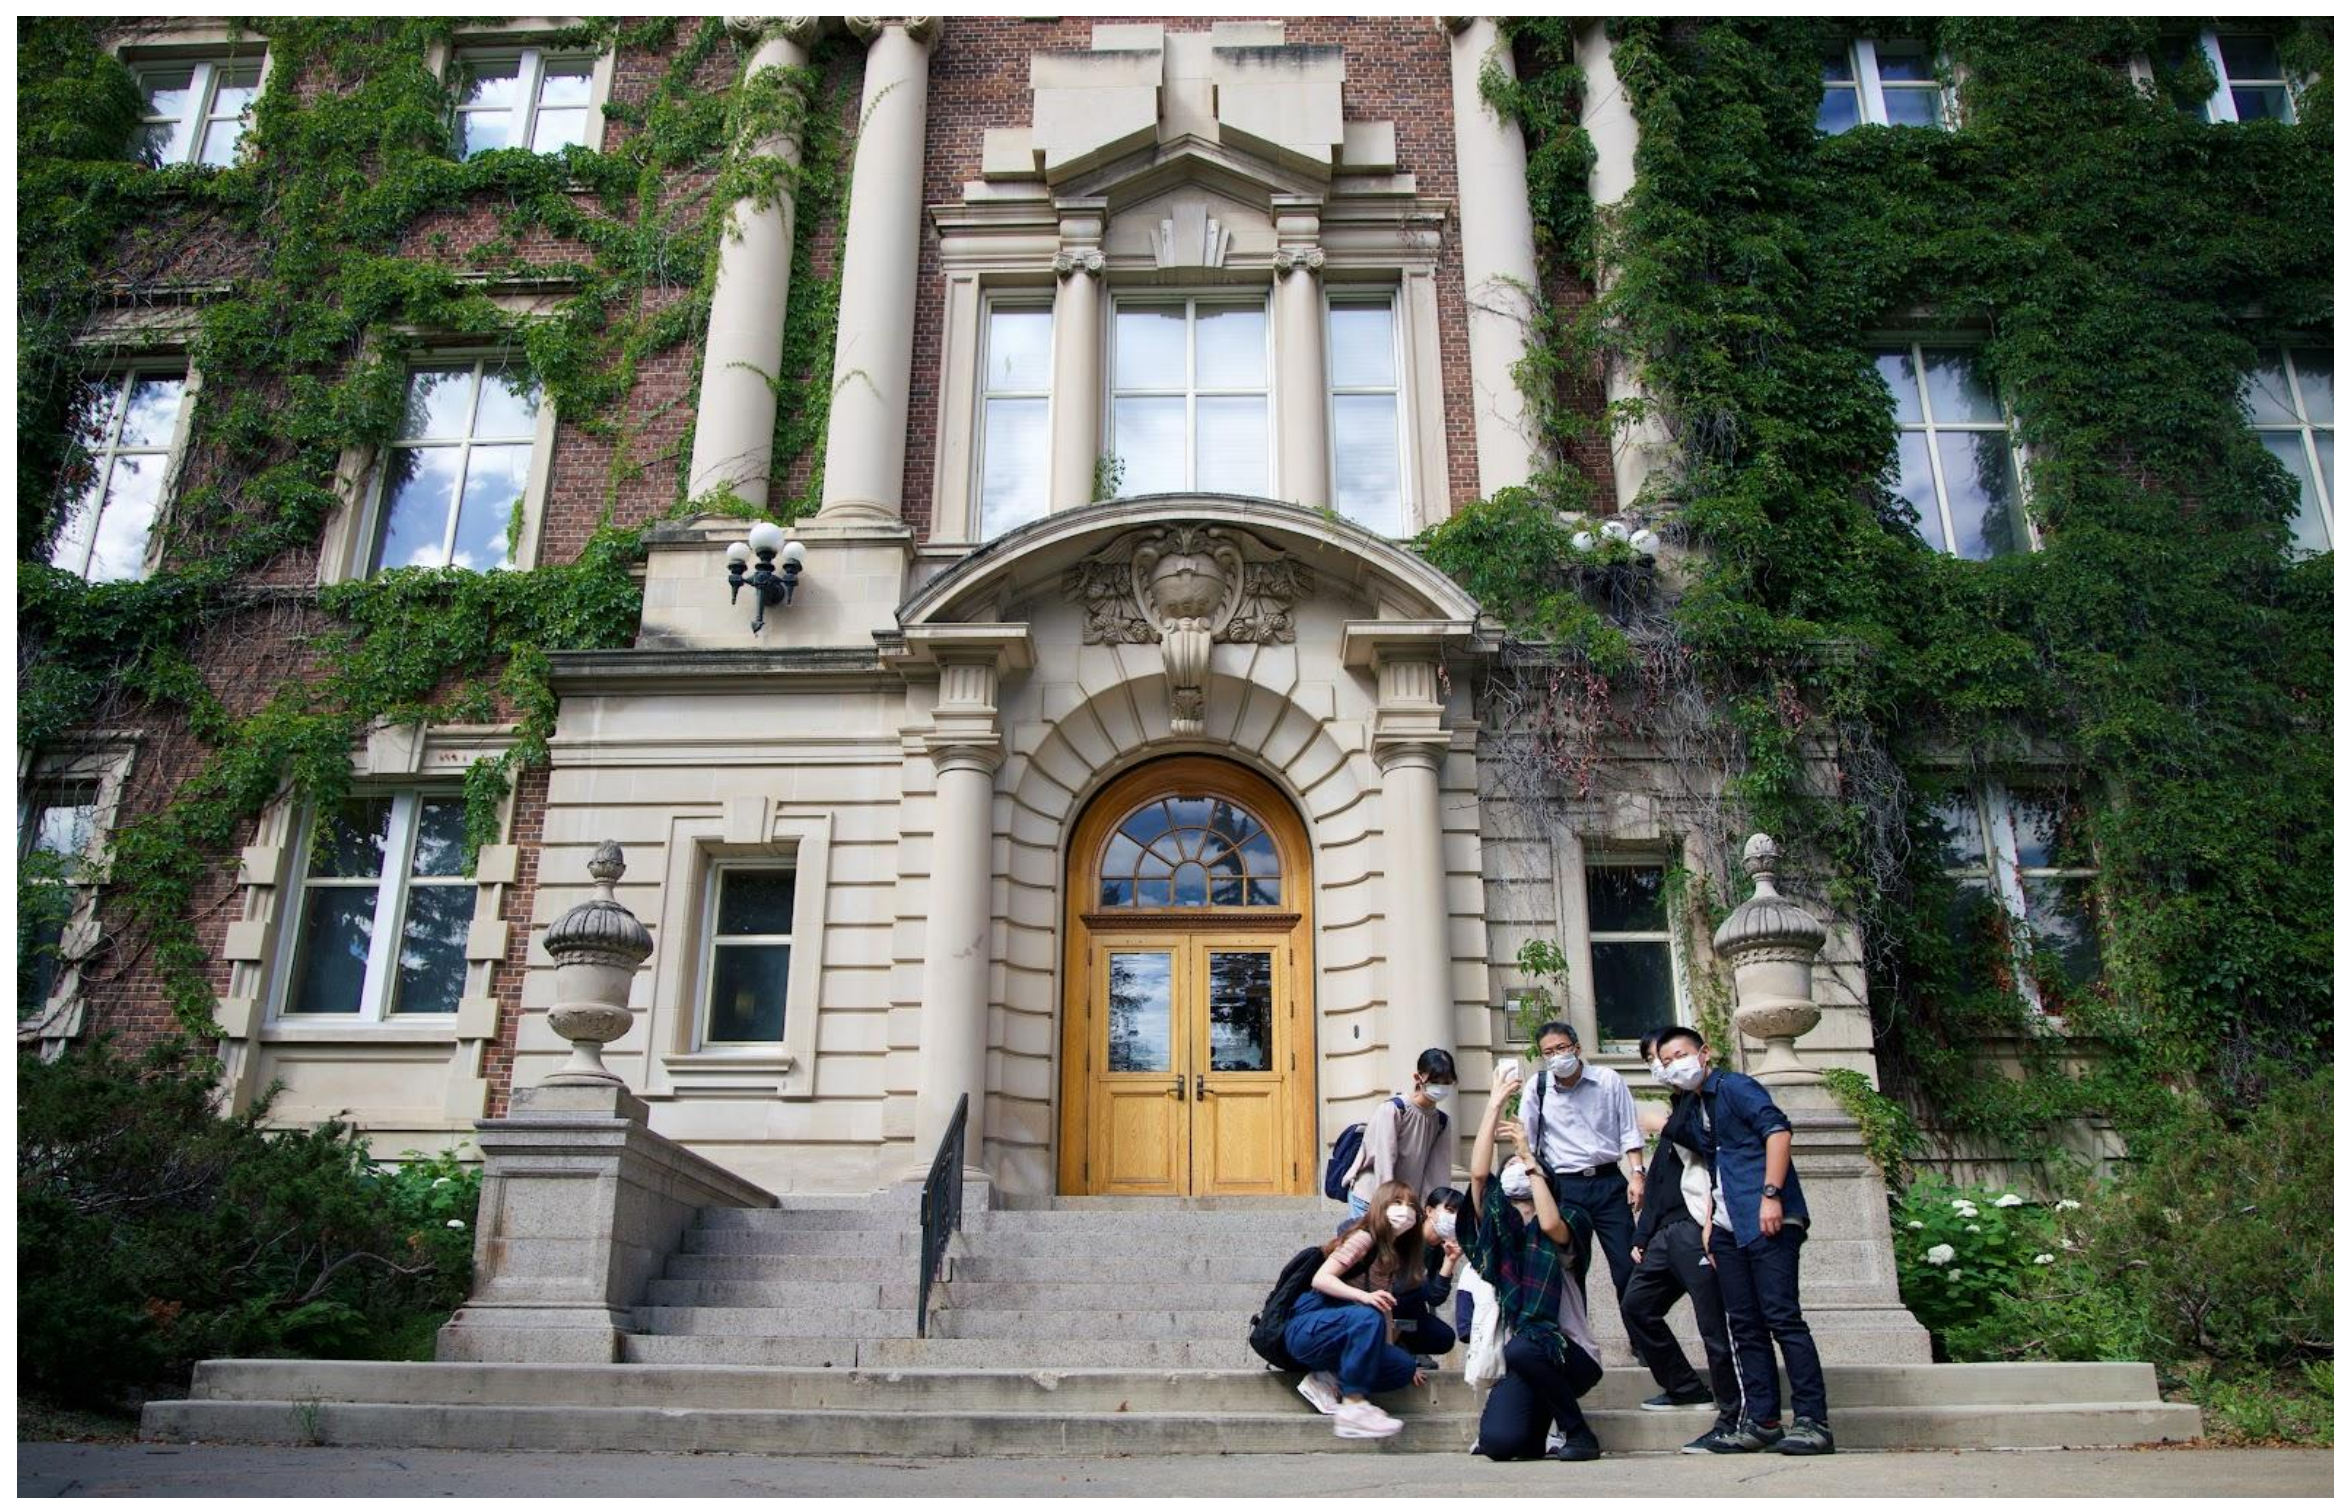

COURSE

DESCRIPTION

This course is for international undergraduate students majoring in nursing.

Participants will reflect on their own experiences in order to provide the basis for interactive communicative learning tasks with a focus on listening, speaking, and vocabulary development. By the end of the course, participants will be able to communicate in most routine nursing situations with relative confidence by engaging in role play scenarios and interacting with Canadian nurses and other guest speakers. Participants will also be able to identify main ideas from a simple listening or text, participate in small group discussions, and deliver a simple presentation to a panel audience.

This course consists of 19 English for Nursing classes held on Monday to Friday from 0830 to 1230. Learn Canadian Culture through a variety of afternoon activities in the capital city of Edmonton, Alberta.
