

# Application Information

## 【 1. Eligibility of Applicants 】

In case your university recommends more than one applicant, please provide your order of preference by ranking the most favored candidates beginning with number one. Since this program is only for undergraduate students possessing an intermediate level of Japanese language proficiency (JLPT N2/N3, CEFR B1), please include this factor in the assessment of students when deciding on their ranking. If there are candidates with equal criteria, we strongly recommend that students with an elementary or advanced level of Japanese language proficiency be ranked lower than those with intermediate proficiency.

IMPORTANT: Please be aware that we will accept a maximum of 10 participants from a single university.

## 【 2. Transfer Credits for Japanese Language Classes 】

NUSTEP offers intermediate Japanese language classes (90 minutes per class, 22.5 hours in total) and a final exam (final presentation). Should you wish to consider the possibility of transfer of credits to your institution then, upon request, we can provide you with the syllabus and explain how student performance is assessed. Nagoya University will issue a certificate for all participants who pass the final exam (final presentation).

## 【 3. How to Apply 】

Application period : **Friday, September 20, 2024 – Sunday, October 20, 2024**

**\*Any submission after the closing date of the application will be not accepted.**

Please download the following documents via our website.

NUSTEP's website: <http://ieec.iee.nagoya-u.ac.jp/ja/nustep/>

- **Application Form**
- **Japanese Language Learning Questionnaire**
- **Home Visit Application Form (Those who wish to participate in a home visit program.)**

The responsible office at your university should collect the following application documents from students and send the PDF files of all the applications to NUSTEP office by e-mail between **Friday, September 20, 2024 – Sunday, October 20, 2024**

. (Please be noted that the direct application from each student is not accepted.)

- 1) Application Form,
- 2) Japanese Language Learning Questionnaire,
- 3) Home Visit Application Form (Those who wish to participate in a home visit program.)

## 【 4. Selection of Participants 】

NUSTEP will evaluate all applications and select participants. We will inform both university and participants of the result via e-mail by the end of November 2024. We will contact participants directly so that we may provide information such as how to pay the participation fee and travel procedures.

## 【 5. Contact for Inquiries 】

Please do not hesitate to contact us should you have any questions.
